

2022 Jog-A-Thon Schedule

(Think specials time)

Time	Grade	Notes
8:05 - 8:55	5th	
9:00 - 9:50	4th	
8:15 - 8:40	AM Preschool	On a shorter, separate track this year. There will be two stop stations for students (one per class).
9:55 - 10:45	3rd	
12:05 - 12:55	2nd	
1:00 - 1:50	Kinder	Will likely run for less time.
1:55 - 2:45	1st	
12:05 - 12:30	PM Preschool	On a shorter, separate track this year. There will be two stop stations for students (one per class).

Please note: All K-5 students will go outside to the field first to warm-up with Ms. Johnson for about 10 minutes. Then, they will go to the colored table for their class located around the track (pink, green, or yellow). Students will run for about 30 minutes, unless otherwise noted above.

Please help classes to get to the correct starting table (pink, green, or yellow) AND help them run in only ONE direction (clockwise), so you can have them all facing the right way before the running begins and even stand behind them...especially if they're younger.

PLEASE: Remind students NOT to pop or take the balloons from the balloon arch so all classes can enjoy it!

And thank you so much for helping out on this fun, but a bit crazy, day!
